About us

Founded in 2001, the National Rheumatoid Arthritis Society (NRAS), is the only patient-led organisation in the UK specialising in rheumatoid arthritis (RA) and juvenile idiopathic arthritis (JIA). **Due to its targeted focus on RA and JIA, NRAS provides truly expert and wide-ranging services to support, educate and campaign for people living with these complex autoimmune conditions, their families and the health professionals who treat them.**

Right Start

You can ask your health professional to make an online referral to NRAS Right Start at www.nras.org.uk/rightstart

We will provide rapid access to support and information to help you deal with your diagnosis and manage your condition in 4 easy steps.

On receipt of your referral, a member of our team will contact you to arrange a call with our trained Helpline Team and explain the services we can offer you. It's an informal, friendly chat with a trained expert.
